SINCE Governor Hogg of Texas has become a millionaire oil magnate, with a big Trust of his own, he is not fighting all the Trusts as vigorously as he was.

AS AN offset to that city's hydra-headed political aggregations, a Louisville cat has come to the front with a quadruplicate kitten. The freak has four heads and bodies with the usual number of eyes, noses, ears, feet and tails on each—thirty-six lives of course.

A FEW days ago a Cincinnati grocer fell twelve feet off a ladder and his left leg was broken in two places, his right leg in one place, his skull was fractured and both arms and nose broken. That was a punishment that could fit no other crime than putting sand in his sugar and selling home-baked baking powder at 10 cents a pound.

"SUNNY ITALY" isn't such a Paradise after all. Describing what he called the ominous increase of crime in Italy, the Rome correspondent of The London Daily Mail says that in 1899 the number of criminals before the Italian Court was 280,000. In 1900 it was 330,000. For one murder in England there are 100 in Italy. The causes are labor agitation, socialism, strikes, hunger and the spread of all forms of nervous disease.

The will of Harry Ward has been passed to next term of Court. All property is left to his wife, Joanna Ward, who is appointed Executrix without bond.

## UNUSUAL ACCIDENT.

**A Young Lady of Abigail May Have Her Foot Amputated.**

Miss Mary Collins, the pretty eighteen-year-old daughter of George Collins of Abigail, and her brother were racing their horses, when she was thrown, sustaining a fracture at the ankle joint.

Both bones protruded through the flesh, stocking and shoe and stuck in the ground.

Mrs. Hall saw the young lady fall, ran to her and bound the wound with her apron, and prevented her bleeding to death before the arrival of the physician.

The fracture is a very uncommon one, and the chances are that amputation will be necessary.

## A BENTLE HINT.

In our style of climate, with incursions of temperature—rain, wind and sun—often alternating in a single day—it is no wonder that our children, friends and relatives are so frequently taken by an unexpected cold, and the death resulting directly from this cause. A bottle of Buckner's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor bill, and perhaps death, by the use of three or four doses. For curing Consumption, Hemorrhage, Pneumonia, Croup, Whooping Cough, Croup, or any disease of the Throat or Lungs, its success is simply wonderful. As your druggist will tell you, get a sample bottle free from J. Jas. Wood & Son, Louisville, Ky. Register, "Buckner's German Syrup" in the Louisville Post-Examiner.

## Kentucky State News.

## THE STRIKE IS ON.

Three Thousand Union Workmen of the Louisville Building Trades Go Out.

Louisville, Ky., May 7.—Three thousand workmen of the Louisville building trades are on strike and allied to appear for work Tuesday morning. Negotiations have been under way for some time between the men and the building contractors over hours, wages and the exclusion of non-union labor. The contractors agreed to the men's demands as to hours and wages, but refused to discharge non-union men from the job under way. The men insisted and practically sent an ultimatum to the contractors. The latter Monday held a meeting and broke off negotiations. The men then decided to quit work, and a telegram was sent to Chicago asking that a man be sent here to lead the strike. The contractors have advertisements in Tuesday's papers offering bounties to men who will take the strikers' place.

## THE CLARK STAKES.

The Good Son of Falstaff Demonstrated His Superiority at Churchill Downs.

Louisville, Ky., May 7.—Again the good son of Falstaff, winner of the 27th Kentucky Derby at the opening of the spring racing season at Churchill Downs on Monday, demonstrated his superiority over the western colts, that have thus far faced the flag by winning the Clark stakes at a mile and sixteenth, for from the time they were in motion until the end, the race belonged to his Eminence.

The Clark stakes, worth \$3,500 to the winner, is second only in importance to the Kentucky Derby, and it always means a revival of interest in the racing of the historic race, for horses that are eligible and start in the Kentucky Derby can face the flag in the Clark stakes. Almy Schuchert, the favorite of the Kentucky Derby, was scratched, and Joe Frey, his stable companion, was sent to the post as the Schorr entry.

**Carpenters Strike.**  
 Louisville, Ky., May 7.—Two hundred and fifty union carpenters refused to work Monday on buildings where non-union men are employed. They reiterated demands made last week for absolute oblation of union rules regarding the employment of labor by contractors, and in several instances non-union men were discharged by the contractors.

**The Laundrymen Meet.**

 Lexington, Ky., May 7.—Officer Patrick Shigmon was dismissed from the Lexington Police force, after a complaint of Lovell Verkes, son of Internal Revenue Commissioner John W. Verkes, that he had been elbowed by the officer.

## ISLAND OF SAMAR.

## An Offensive Campaign Will Be Inaugurated There Unless Gen. Lukban Surrenders.

## AMERICAN FORCE TO BE INCREASED.

Last of the Ten Volunteer Regiments in the Archipelago Will Reach Home Before June 30.

One Thousand Filipinos Were Given Their Liberty in Order to Celebrate the Peace Proclamation of Aguinaldo.

Manila, May 7.—The island of Samar, one of the Visayan group, has been transferred from the department commanded by Gen. Wade to that commanded by Gen. Hughes. Gen. Hughes has been ordered personally to Samar, and if he is successful in negotiating the surrender of the insurgent general, Lukban, the force of American troops in Samar will be largely increased and a vigorous offensive campaign will be inaugurated.

The report of Col. Charles H. Greenleaf, head of the medical department in the Philippines, which has just been forwarded to Washington, shows the percentage of sick among the troops in the island to be only 3.5. This is less than the usual percentage, which in the Philippines has formerly been from 8 to 13.

**Troops Coming Home.**  
 The military authorities have prepared a schedule and forwarded the same to Washington, covering the sailing dates of the ten regiments of volunteers still in the archipelago. Unforeseen delays will probably prevent the last of these regiments will reach home before June 30.

Take a cup of Arbuckle's Coffee and a cup of the "cent-a-pound-cheaper" kind. One taste of each will prove to you that the reason Arbuckle's costs a little more is because it's worth more. It's selected with greater pains, roasted with greater care, packed with greater skill. It comes to you as fresh as when it left the roaster. Not a particle of its strength or flavor lost. Cheap coffee lacks both strength and flavor.

# ARBUCKLE'S Roasted Coffee

is cheaper in the end than other coffees because it makes more cupfuls to the pound and gives far greater satisfaction.

With each package of Arbuckle's Coffee you purchase a definite part of some useful article—which is yours on presentation to our Notion Dept. of a certain number of signatures cut from the wrappers. You'll find a list of the articles in each package.

## RIVER NEWS.

The Conrier goes up tonight for Pomeroy.

The river is falling from one end to the other.

The Indiana is due down from Pomeroy tonight.

The Excel is now running between here and Vaneburg.

The steamer Sun is now lying at Evansville waiting for a new trade to go after her.

The towboat Jim Wood broke her pitman strap on the larboard engine Sunday near Augusta.

Walter Allen of Pl. Pleasant has been appointed carpenter of the Key-stone State. He fills the place of W. T. Terry, who was recently killed.

The license of Captain H. D. Wilkins, Commander of the towboat Enterprise—owned by the river combine—was restored to him last week; his boat collided with the Charley Hook and the Local Inspectors at Pittsburgh atached no blame to him for the accident.

The man Arms who was heralded as attempting to assault a woman on the Hill City pile last week was before Squire Grant yesterday and was fined and costed \$14.50 for exposure of person. Thus another fifty centation of the "yellow" newspaper fades away!

Governor Beckham Monday made a requisition upon the Governor of West Virginia for the return to Kentucky of Charles Gaskins, now under arrest at Charleston, W. Va., and wanted in Flemingsburg for the murder of James Ityan, who was stabbed to death last week by Gaskins. It is said Gaskins escaped disguised as a woman.

The house occupied by Mr. Thomas Reeves and belonging to Mr. J. B. Burgess of this city, burned last Thursday afternoon near Fernleaf. It is supposed to have caught from a defective fuse. Mr. Reeves succeeded in saving the greater part of his household goods but those that were burned were a total loss, as there was no insurance. The insurance on the building was \$200.

## THE LEWISES OF LEWIS.

Remarkable Aggregation of Lewises in a Marriage in Lewis.

At Vaneburg a few days ago there was a somewhat remarkable marriage when Mr. Wm. A. Lewis was united in marriage to Miss Nina V. Lewis in the county of Lewis and the ceremony was performed by Rev. Robert R. Lewis.

The bride is the daughter of Colonel Basil Lewis, whose ancestors were the oldest settlers of Lewis, and in honor of whom Lewis county is named.

The groom is no blood relation of the bride.

The survivors of the steamer Glendale, which on Christmas Day, 1870, sank in the Mississippi river below St. Louis, were banqueted in Pittsburgh last week by William Laird, who was one of the members of the crew. No lives were lost in the sinking. James A. Henderson was the agent at Pittsburgh for the boat.

## An Open Letter.

We desire to say that our business since January 1st has passed the mark anticipated. We wish to be frank; therefore we are not attempting to talk to business people and put it in the form of a polished essay. The advantage of having merchandise different from your competitors is apparent, provided that the retailer is known to be reliable. There is not a good deal of advertising appeal to you as though the advertisers were indulging too freely in fine words. Most of them seem to say something that means nothing. Names are invented for goods that have no bearing whatever on the materials; turned and twisted until they are no longer recognizable, all of which is done to tone the product, because the product hasn't enough of it. Fine feathers make fine birds, but fine words do not make fine birds. We are strong believers in advertising because it is a good thing, but advertising doesn't pay unless constructed on a proper basis, and it is to plainly tell people what you have to sell, and sell it as low as is consistent with legitimate business methods.

Our spring importation of Dress Goods, White Goods, Carpets, Mattings and Housekeeping Goods generally is complete. Come and learn prices, which will be found to be as cheap as the cheapest, quality considered. Respectfully,  
GEORGE COX & SON.  
82 years selling good goods.
